

Sacred Heart School Band

Congratulations to our 25 band members for their excellent work in this year's band program through Effman Music Service. Band members practice every Thursday after school under the guidance of band director Mr. Chris Nowelski. We are proud of all our band members for their hard work and ongoing efforts to develop their gifts of music. The band program will culminate in a performance for the entire school in early June. Details regarding the performance will follow as soon as the date is finalized.

Tomorrow We Celebrate the Evening Mass of the Lord's Supper

Jesus answered him, "Unless I wash you, you will have no inheritance with me." Simon Peter said to him, "Master, then not only my feet, but my hands and head as well." Jesus said to him, "Whoever has bathed has no need except to have his feet washed, for he is clean all over; so you are clean, but not all." For he knew who would betray him; for this

reason, he said, "Not all of you are clean." So when he had washed their feet and put his garments back on and reclined at table again, he said to them, "Do you realize what I have done for you? You call me 'teacher' and 'master,' and rightly so, for indeed I am. If I, therefore, the master and teacher, have washed your feet, you ought to wash one another's feet. I have given you a model to follow, so that as I have done for you, you should also do." *John 13:8-15*

Safeguarding Our Kids: Drug Awareness and Social Media/Internet Safety

Wednesday, April 25 at 7:00 pm
Sacred Heart Church, Lower Church Hall

Join us for an hour-long session that will include presentations from and discussions with Trooper John Fanning (Massachusetts State Police) and Shannon O'Driscoll (SHS parent and school administrator). We encourage all parents, grandparents, and caregivers, particularly those of middle school-aged students, to join us for an informative evening.

** This is an adults-only event. **

Congratulations to the cast and crew of the Sacred Heart Drama Club who delivered a great performance of Godspell Jr.! The show for our students on Friday afternoon was outstanding, and the encore performance for friends and family on Sunday afternoon was even better! Thank you to Mr. Bradley and Mrs. Brady for providing this wonderful opportunity for our students.

Science Fair Judges Needed!

We are looking for volunteers with a science or engineering background who are interested in serving as judges on Thursday, April 12 from 9:00 – 10:30 am. **Parents of students in any grade level are invited to volunteer**; however, parents of students who are currently in grades 6-8 are only eligible to judge at grade levels other than the one their child is in. No prior experience with science fair judging is required – just a love of science and/or engineering! Would you or someone you know be willing to serve as a judge on April 12? To sign up as a judge, please contact Mr. Beza via email at cbeza@sacredheartschoolweymouth.org.

The 5K Committee is looking for volunteers to help out on race day. If you are interested in handing out water to runners (kids are welcome to help with their parents/grandparents), helping to keep runners on course, or assisting with setup or breakdown, please contact Carla Murphy (shs5krun@hotmail.com). There will be a mandatory, "all hands on deck" meeting for all 5K race day volunteers on Wednesday, May 2nd at 7:00 pm in the Science Lab. Lastly, just a friendly reminder that the sponsorship deadline is April 1st. For more details, visit us at www.sacredheartschoolweymouth.org/shs5k.
